**REGARDING MR. PETE SMITH**

I hired Mr. Pete Smith of C&S Associates in the Fall of 2016 to sell my business, Tennessee Electric Motor. I was extremely pleased with the whole transaction.

Pete's experience and knowledge of the process and details made for a less stressful and speedy contract.

The negotiations and contract were finalized and the business sold on January 31, 2017.

I highly recommend Pete Smith as a professional who made the complicated transaction so much easier to understand and complete.
